

Trout in the Classroom Fish Release Field Trip

Field Trip Overview

Description:

Total roundtrip miles traveled:

Field trip learning objectives:

Student involvement:

How the project supports the American Fisheries Society mission and goals:

The mission of the American Fisheries Society and the Idaho Chapter is to improve the conservation and sustainability of fishery resources and aquatic ecosystems by 1) advancing fisheries and aquatic science and 2) promoting the development of fisheries professionals. Public education and outreach activities that increase understanding and respect of aquatic resources are critical to achieve this mission.

Number students benefitting from the project:

How project success will be measured:

How project success will be shared:

Is classroom participating in the Idaho Department of Fish and Game Trout/Steelhead in the Classroom Program?

If not, please explain your aquatic education curriculum or goals:
